Dear Sir/Madame;

We are requesting sponsorship for our club for the 2010 spring hockey season.

We are a club that has a goal to develop our players to an elite level. We have teams in the Novice (8/9yr olds) and Pee wee (11/12 yr olds) age groups at the moment. Our teams compete in spring native tournaments in Alberta, BC and Saskatchewan. Our team is comprised of kids from North East Alberta. We will compete in the Alberta Native Provincial championship on April 7-10/10.

Our goal is to start a program that will build yearly with more and more kids having a place to play and develop. We hope once the new rink is built (target 2012) we will generate a program that the community and people can be proud of. It is our hope that the GFL Selects and Goodfish Lake is a place that people will want to come to. We have committed adults, a board, and excellent role models in place. We are fiscally responsible.

The costs we are seeking assistance with are; hotels, entry fee's, player Insurance and jersey's. We would be honored to put your companies name on our jerseys to recognize your valued contribution to the youth we serve.

Should you have any questions please call.

Yours in sport,

Rick Rosychuk
